Letter No.....118...../CS
Dated....19.01.2017

To

The Secretary
Building Construction Department

Sub: Implementation of Works Accounts M.I.S. (WAMIS) in Jharkhand

Sir,

You are aware that digital intervention is very important to ensure accuracy, transparency, timely submission of accounts, digital measurement etc. in the works departments. The WAMIS software is ready to be launched.

2. Training for DAO (Divisional Accounts Officers and Accounts Clerks/Cashiers) has been completed for the working departments – Drinking Water & Sanitation, Rural Works, Water Resources, Road Construction and Building Construction. Training had also been provided to all Divisional Accounts Officers from each division in the premises of AG and divisions are submitting accounts online to AG. Training will be scheduled for Forest Department from 19-1-2017 till 20-1-2017.

3. Also training for the Works and Billing for the Engineering Wing (Executive Engineer, Assistant Engineer, Junior Engineer) has been completed for Drinking Water & Sanitation, Water Resources, Road Construction and Building Construction and the training for Rural Works has been scheduled from 16-1-2017 till 18-1-2017. For the purpose of support and any issue while using application, Mr, Mahavir Tirkey (Technical Officer, CDAC, Mobile : 9765579760) and Mr. Sushant Naik (Project Engineer, CDAC Mobile : 7008976140) would be available.

4. TABS have been ordered for Executive Engineer, Assistant Engineer, Junior Engineer and DAO. The TABS would be available by 1st week of February and training to operate the same is scheduled to be completed by 15th February, 2017.

5. **The online works billing will start on 15-2-2017 and thereafter no bills will be received physically.** It is important for the works departments to ensure implementation and usage of WAMIS.

You may kindly take a review at your level for implementation readiness and issue necessary directions. Monitoring system can also be put in place.

I would like to discuss the preparation for implementation on 30-1-2017 at 4.00 PM.

Yours faithfully,

19/1/2017
Chief Secretary
