**Subject: Regarding installation activity of WAMIS application at State Data Center and provide remote access for CDAC personnel.**

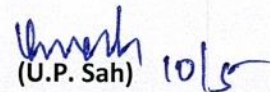

Dear Sir,

In reference to the above mentioned subject this is to inform that the security audit of WAMIS (Works And Accounts Management Information System) has been completed successfully. The application can be hosted in SDC and for the installation activity and application maintenance, the following things need to be done:

- 1) Provide remote access to the CDAC personnel (Sri Mahavir Tirkey, Sr. Technical Officer ) at Project Bhawan, Dhurwa.
- 2) To provide technical support 24x7 to keep the application and database servers up and running.
- 3) Provide daily, weekly and monthly backup of the application data.
- 4) Provision for Disaster Recovery in case of emergencies.

Please find enclosed Web Application report provided by the agency and inform the relevant authority to complete the formalities for this installation.

Yours Faithfully,

  
(U.P. Sah) 10/5  
Director
