**Minutes of Meeting for WAMIS held on 29.06.2016 in the chairmanship of
Director, DoIT & e-Gov., GoJ**

Time :- 11:00 AM

Venue :- Project Building

Present : Attached as Annexure-I

First of all, Director, DoIT, GoJ welcomed all the participants present at the outset. After that the work-progress of the usage of WAMIS Application by the pilot-offices was reviewed. Many representatives suggested some customizations in the application to sort out the difficulties in preparing the bills through-the application. Following suggestions were given in the meeting :-

1. A Single work can be mapped to multiple districts and blocks. Therefore, this provision should be incorporated in the application.
2. Block, Panchayat, Village and Habitation should not be kept as mandatory for selection for the work which falls under urban area/municipal corporation.
3. Bill-Form in WAMIS is generated according to the latest Jharkhand Treasury Code 2016 and that should be verified at each and every pilot division.
4. DAG(W&F), O/o AG(A&E), Jharkhand informed that the schema of existing A.G System has been given to C-DAC team hence, Cheque pairing and data porting tool need to be developed by the C-DAC team.
5. Sri Tirkey, C-DAC informed that the data porting tool has been developed and the demonstration for the same has been given to Sr. A.O (EDP Cell In-charge). He suggested some changes in the tool and in due course cheque pairing tool will be also created.
6. Divisional Accountant Officer from each division has to submit the form-26Q quarterly to NSDL website "<https://www.tin-nsdl.com/> " through e-TDS system. As of now WAMIS is capturing the income taxes deducting from different contractors. CDAC was instructed to make an application for direct submission of TDS to NSDL. However this module will be presented to Finance Department before further necessary action.

The meeting ended with vote of thanks by the chair.
